2054.11.27

Date of Certification and Publication

Amending Acts

1. Republic Strengthening and Some Nepal Laws Amendment Act, 2066 2066.1.07
2. Act to Amend Some Nepal Acts to Make them Consistent with the Constitution of Nepal, 2075 2075.11.19
3. Nepal Engineering Council (First Amendment) Act, 2079 2079.5.5

Act No. 23 of the year 2054

An Act Made to Provide for the Nepal Engineering Council

Preamble: Whereas, it is desirable to provide for the Nepal Engineering Council to make the engineering profession effective, to mobilize it in an organized and scientific manner, and to make provision for the registration of names of engineers according to their qualifications, Removed by the Republic Strengthening and Some Nepal Laws Amendment Act, 2066. Therefore, in the twenty-seventh year of the reign of His Majesty King Birendra Bir Bikram Shah Dev, Parliament has enacted this Act. Chapter - 1

Preliminary

1. Short Title and Commencement: (1) This Act may be cited as the "Nepal Engineering Council Act, 2054".
(2) This Act shall commence on such date as the Government of Nepal may appoint by notification published in the Nepal Gazette. 2. Definitions: Unless the subject or context otherwise requires, in this Act,-
 - (a) "Council" means the Nepal Engineering Council established pursuant to Section 3.
 - (b) "Chairperson" means the Chairperson of the Council.
 - (b1) Added by the First Amendment. (b1) "Vice-Chairperson" means the Vice-Chairperson of the Council.
 - (c) "Member" means a member of the Council and includes the Chairperson, Vice-Chairperson and Member-Secretary of the Council.
 - (d) "Engineer" means a person who has obtained at least a Bachelor's degree in engineering from an educational institution recognized by the Council.
 - (e) "Engineering Profession" means the profession adopted by engineers who have acquired technical knowledge and competence in the subjects mentioned in the Schedule.
 - (f) "Register Book" means the register book prepared pursuant to Section 15.

(g) "Registered Engineer" means an engineer whose name is registered in the Register Book.

(h) "Registrar" means the person appointed pursuant to Section 27.

(i) Amended by the First Amendment. (i) "Committee" means the Examination Committee constituted pursuant to Section 14.

(j) "Prescribed" or "as prescribed" means as prescribed in the rules made under this Act. Chapter - 2

Establishment, Formation, Functions, Duties and Powers of the Council

3.

5. Formation of the Council: (1) The Council established pursuant to Section 3 shall consist of the following members:-

(a) An engineer nominated by the Government of Nepal from among engineers who have obtained a Bachelor's degree in engineering and have at least fifteen years of experience in the engineering profession ? Chairperson

(b) An engineer nominated by the Government of Nepal from among engineers who have obtained a Bachelor's degree in engineering and have at least ten years of experience in the engineering profession ? Vice-Chairperson

(c) Amended by the First Amendment. (c) Seven members nominated by the Government of Nepal, including at least three women, on the basis of the principle of inclusiveness ensuring representation from each province, from among engineers who have obtained a Bachelor's degree in engineering and have at least seven years of experience in the engineering profession ? Members

(d) President, Nepal Engineers' Association ? Member

(e) Five engineers elected and sent by the Nepal Engineers' Association ? Members

(f) One campus chief nominated by the Government of Nepal from among the campus chiefs of engineering campuses ? Member

(g) Representative, Institute of Engineering, Tribhuvan University ? Member

(g1) Added by the First Amendment. (g1) One person nominated by the Government of Nepal from among universities that teach engineering subjects ? Member

(h) Amended by the First Amendment. (h) Two members nominated by the Council, including at least one woman, from among engineers who have obtained a Bachelor's degree in engineering and have at least seven years of experience in the engineering profession ? Members

(i) Registrar ? Member-Secretary

(2) While making nomination and election of members pursuant to clauses (c) and (e) of sub-section (1), it shall be done from separate subjects on the basis of the subjects of the engineering profession.

(3) Until the election of members pursuant to clause (e) of sub-section (1), engineers nominated and sent by the Nepal Engineers' Association shall be members of the Council.

(4) While nominating the representative pursuant to clause (f) of sub-section (1), it shall be done from among

engineers.

(5) The Council may, if deemed necessary, invite any expert to participate in the meeting of the Council. 6. Term of Office of Members: (1) The term of office of a nominated or elected member of the Council shall be four years. Members whose term has expired may be re-nominated or re-elected subject to the other provisions contained in this Act.

(2) If the office of any member falls vacant before the expiration of the term, such vacancy may be filled by nominating or electing another member for the remaining period. 7.

Disqualification for Membership: The following persons shall not be eligible for nomination or election as a member of the Council:- (a) a non-Nepali citizen, (b) whose name has been struck off from the Register Book, (c) who has been adjudged insolvent being unable to pay debts, (d) Amended by the First Amendment. (d) who has been punished for corruption, rape, human trafficking and transportation, sale, distribution or export or import of narcotic drugs, money laundering, organized crime, wildlife trafficking, passport misuse, kidnapping related offenses, or other criminal offenses involving moral turpitude, or has been punished with imprisonment for three years or more for any other criminal offense and such judgment has become final, (e) Amended by the First Amendment. (e) who is of unsound mind, (f) Added by the First Amendment. (f) who has obtained permanent residency permission of any foreign country. 8. Circumstances for Termination of Membership: Membership of the Council shall be deemed to have terminated in the following circumstances:- (a) if disqualified pursuant to Section 7, (b) if resignation from the office of member has been accepted, (c) if absent from three consecutive meetings of the Council without prior notice with cause to the Council, (d) upon death. 9. Functions, Duties and Powers of the Council: In addition to the functions, duties and powers mentioned elsewhere in this Act, the functions, duties and powers of the Council shall be as follows:- (a) to prepare necessary policies, plans and programs for the smooth operation of the engineering profession and implement them, (b) to recognize educational institutions providing engineering education and certificates and degrees awarded by such institutions as prescribed, Amended by the First Amendment. (c) to determine the qualifications necessary for practicing the engineering profession, prepare curriculum for examinations to be taken for the purpose of registering the names of engineers who meet the qualifications, conduct examinations, and provide name registration certificates to persons who have passed, (d) to strike off the name of a registered engineer from the Council, following the prescribed procedure, if such engineer violates or fails to comply with the prescribed code of professional conduct.

Added by the First Amendment. (e) to review and evaluate the curriculum, academic standards and examination system of educational institutions providing engineering studies and teaching and recommend to the relevant university and the Government of Nepal or the relevant provincial government,

Added by the First Amendment. (f) to prescribe the basis and conditions for student enrollment in educational institutions providing engineering studies and teaching, and the physical infrastructure of such institutions, and to monitor and evaluate and, if found to be in violation, recommend to the relevant university to cancel the approval granted to such educational institutions,

Added by the First Amendment. (g) to conduct studies, research, seminars and other necessary programs to promote the rights and interests of engineering practitioners, and

Added by the First Amendment. (h) to conduct training and coaching to provide practical experience to engineers. 10. Meetings and Decisions of the Council: (1) The meeting of the Council shall ordinarily be held four times a year. However, the Chairperson may call meetings more frequently if desired.

(2) The meeting of the Council shall be held at such time and place as specified by the Chairperson.

(3) If more than fifty percent of the total number of members of the Council are present, the quorum for the meeting of the Council shall be deemed to be constituted.

(4) The meeting of the Council shall be presided over by the Chairperson, and in his/her absence, by the Vice-Chairperson. In the absence of both the Chairperson and the Vice-Chairperson, the meeting shall be presided over by a person chosen by the members present at the meeting from among themselves.

(5) The opinion of the majority shall prevail at the meeting of the Council, and in case of a tie, the person presiding over the meeting may cast a deciding vote.

(6) Decisions of the Council shall be certified by the Member-Secretary.

(7) Other procedures relating to meetings of the Council shall be as determined by the Council itself. Chapter
- 3

Provisions Relating to Registration of Names

Amended by the First Amendment. 11. Not to Practice Engineering Profession Without Registration: (1) No person shall practice the engineering profession without having his/her name registered with the Council.

(2) While registering the name of an engineer with the Council under this Act, engineers may be categorized as prescribed. 12.

Application for Registration of Name: (1) A person desiring to register his/her name with the Council shall submit an application to the Council in the prescribed format. (2) A person who is practicing the engineering profession at the time of commencement of this Act shall submit an application pursuant to sub-section (1) for registration of his/her name with the Council within six months from the date of commencement of this Act.

(3) A person submitting an application for name registration pursuant to sub-section (1) or (2) shall attach the certificate, degree and other relevant documents obtained from the educational institution, along with the prescribed fee, with the application. Amended by the First Amendment. 13. Inquiry into Application: (1) The Registrar shall make necessary inquiry into the applications received for registration pursuant to Section 12,

and if the applicant appears to have fulfilled the criteria under this Act, shall forward the name of the applicant to the Committee for the purpose of conducting the Engineering Practitioner Registration Examination. (2) If any matter is unclear during the inquiry pursuant to sub-section (1), the Registrar may require necessary evidence or documents from the applicant concerned. Amended by the First Amendment. 14. Formation of Examination Committee: (1) For the purpose of conducting examinations for name registration as an engineering practitioner with the Council, there shall be an Examination Committee as follows:- (a) A member designated by the Council - Coordinator (b) Three members of the Council, including one woman, designated by the Council - Members (c) Registrar - Member-Secretary (2) The Committee shall conduct examinations as prescribed for name registration as an engineering practitioner with the Council at least twice a year. (3) The curriculum of the examination pursuant to sub-section (1) and the examination system shall be as determined by the Council. (4) The Committee may, if deemed necessary, invite experts related to the subject to the meeting of the Committee. (5) The functions, duties, powers and procedures for conducting meetings of the Committee shall be as prescribed. Amended by the First Amendment. 15. Name Registration: (1) The Committee shall recommend to the Council for the registration of the name of the applicant who has passed the Engineering Practitioner Registration Examination taken pursuant to Section 14. (2) Upon receipt of the recommendation for name registration pursuant to sub-section (1), the Council

shall register the name in the Council according to such list. Amended by the First Amendment. 16.

Issuance of Name Registration Certificate: The Registrar shall issue a name registration certificate to the person whose name has been registered pursuant to Section 15 in the prescribed format. Repealed by the First Amendment. 17 Amended by the First Amendment. 18. Striking Off Name from Register Book: (1) The name of a registered engineer shall not be struck off from the Register Book except in the following circumstances:- (a) if disqualified pursuant to Section 7, (b) if a proposal to strike off the name from the Register Book on the charge of violating the code of professional conduct is submitted to the meeting of the Council and passed by a two-thirds majority, or (c) if the name of any unqualified person has been registered by fraud or mistake. (2) Before submitting a proposal to strike off the name of any registered engineer from the Register Book on the charges mentioned in clauses (b) and (c) of sub-section (1), the Council shall form an Inquiry Committee to investigate the charges against such person and submit a report. (3) The procedure to be followed by the Inquiry Committee formed pursuant to sub-section (2) while conducting the inquiry shall be as prescribed. Amended by the First Amendment. 19. Cancellation of Certificate: (1) If the Council decides to strike off a name from the Register Book pursuant to Section 18, the Registrar shall strike off the name of such person from the Register Book, cancel the name registration certificate issued pursuant to Section 16, and inform the person concerned of such action. (2) Before canceling the name registration certificate pursuant to sub-section (1), the person concerned shall be given an opportunity to submit his/her defense. 20. Re-registration of Name: (1) If a decision has been made to strike off a name from the Register Book in the circumstances mentioned in clauses (a), (b) and (c) of sub-section (1) of Section 18, the person concerned may, after at least one year from the date of such decision, submit an application to the Council pursuant to Section 12 for re-registration of his/her name, stating reasonable cause. (2) If an application for re-registration is submitted pursuant to sub-section (1), the Council may, if it deems reasonable to re-register the name of such applicant, decide to re-register the name. (3) If the Council decides to re-register the name of the applicant pursuant to sub-section (2), the Registrar shall re-register the name of such applicant in the Register Book and issue a certificate of re-registration to the applicant in the prescribed format. Chapter - 4 Added by the First Amendment. Recognition of Academic Qualification Certificates or Degrees and Educational Institutions 21.

Recognition of Academic Qualification Certificates or Degrees: (1) The Council shall recognize academic qualification certificates or degrees in engineering subjects provided by any educational institution. (2) The academic qualification certificates or degrees recognized by the Council pursuant to sub-section (1) and the name of the educational institution providing such certificates or degrees shall be published in the Nepal Gazette. Added by the First Amendment. 21A. Granting Recognition to Educational Institutions: (1) Educational institutions established pursuant to prevailing law must obtain recognition from the Council as well before conducting or providing engineering studies and teaching. (2) To obtain recognition pursuant to sub-section (1), an application shall be submitted to the Council attaching details and fees as prescribed by the Council. (3) The Council may, upon inquiry into the application pursuant to sub-section (2) on the basis of prescribed criteria, grant permanent or temporary recognition to an educational institution meeting the prescribed criteria, upon charging fees as prescribed by the Council. Added by the First Amendment. 21B. Recommending Cancellation of Recognition: If, while monitoring an educational institution recognized pursuant to Section 21A, it is found that such institution has not complied with the curriculum, basis for student enrollment, physical infrastructure and academic standards, the Council may recommend to the Government of Nepal or the relevant provincial government to cancel the recognition of such educational institution. 22. Power to Require Details: (1) While granting recognition to any academic qualification certificate or degree pursuant to Section 21, the Council may require from the relevant educational institution

the curriculum prescribed for such academic qualification certificate or degree, the conditions prescribed for enrollment, and other related details. (2) It shall be the duty of the relevant educational institution to provide the necessary details as required by the Council pursuant to sub-section (1). 23. Inspection of Examinations: (1) While granting recognition to any academic qualification certificate or degree pursuant to Section 21, or after granting recognition, the Council may appoint and send an inspector to inspect the examination system conducted by the relevant educational institution providing such academic qualification certificate or degree. (2) The inspector sent pursuant to sub-section (1) shall not interfere in any way with the examination during inspection. (3) The inspector inspecting the examination pursuant to sub-section (2) shall prepare a report of the matters observed during the examination inspection and submit it to the Council. 24.

Withdrawal of Recognition: (1) While considering the details received pursuant to Section 22 or the report received pursuant to sub-section (3) of Section 23 in relation to any academic qualification certificate or degree recognized pursuant to Section 21, if the Council deems that the curriculum, enrollment conditions and examination system determined by such educational institution are not appropriate and adequate, the Council shall submit its report to the Government of Nepal in that regard. (2) Upon receipt of the Council's report pursuant to sub-section (1), the Government of Nepal may require an explanation from the relevant institution in that regard. (3) The Government of Nepal shall consider the explanation received from the relevant educational institution as required pursuant to sub-section (2), and if any other matter needs to be inquired into in that regard, it shall make necessary inquiry, and on the basis thereof, the Government of Nepal may withdraw recognition of any academic qualification certificate or degree provided by such educational institution after a specific date. (4) Notice of withdrawal of recognition of any academic qualification certificate or degree pursuant to sub-section (3) shall be published in the Nepal Gazette. Chapter - 5 Functions, Duties and Powers of Chairperson, Vice-Chairperson and Registrar 25. Functions, Duties and Powers of Chairperson: In addition to the functions, duties and powers mentioned elsewhere in this Act, the functions, duties and powers of the Chairperson shall be as follows:- (a) to determine the priority of subjects to be discussed in the meeting of the Council, (b) to monitor and evaluate plans and programs operated by the Council, cause them to be done, and give necessary directions in that regard, (c) to conduct and cause to be conducted the business of the Council in an organized, effective and smooth manner, (d) to perform other functions as prescribed. 26. Functions, Duties and Powers of Vice-Chairperson: In the absence of the Chairperson, it shall be the duty of the Vice-Chairperson to exercise the functions, duties and powers that the Chairperson is required to perform under this Act. 27. Appointment and Functions, Duties and Powers of Registrar: Amended by the First Amendment. (1) The Government of Nepal shall appoint one Registrar on the basis of open competition from among engineers who have obtained a Bachelor's degree in engineering and have at least ten years of experience in the engineering profession to perform the work of the Council. Added by the First Amendment. (1A) The term of office of the Registrar appointed pursuant to sub-section (1) shall be four years.

Added by the First Amendment. (1B) Notwithstanding anything contained in sub-section (1A), the Government of Nepal may remove the Registrar from office at any time if he/she lacks work capacity, has bad conduct, or does not act honestly in the discharge of official duties. Provided that, before such removal, he/she shall be given an opportunity to submit a defense. (2) In addition to the functions, duties and powers mentioned elsewhere in this Act, the functions, duties and powers of the Registrar shall be as follows:- (a) to perform the general administration and management functions of the Council, (b) to manage the supervision, control, arrangement and maintenance of the Council's fund and property, (c) to formulate annual programs and plans of the Council and submit them to the Council, (d) to prepare annual income and expenditure and supplementary income and expenditure statements of the Council, (e) to implement the budget, plans and

programs approved by the Council, (f) to make arrangements for internal and final audit of the Council, (g) to act as a liaison officer between the Council and engineers, (h) to perform and cause to be performed other functions as directed by the Council, (i) to perform other functions as prescribed. Chapter - 6 Fund of the Council 28. Fund of the Council: (1) The Council shall have its own separate fund. (2) The fund pursuant to sub-section (1) shall consist of the following amounts:- (a) amounts received from the Government of Nepal, (b) amounts received as loans, donations, assistance, grants or gifts from domestic or foreign individuals, institutions, governments or international organizations, (c) amounts received in consideration of services provided on behalf of the Council, (d) amounts received from any other source. (3) Before receiving loans, donations, assistance, grants or gifts from any foreign individual, institution, government or international organization pursuant to clause (b) of sub-section (2), the Council shall obtain prior approval of the Government of Nepal. (4) Amounts received into the Council's fund shall be deposited by opening an account in any commercial bank. (5) The operation of the Council's fund and account shall be as prescribed. 29. Accounts and Audit: (1) The accounts of income and expenditure of the Council shall be kept as prescribed. (2) The audit of the Council shall be as prescribed. (3) The Government of Nepal may, if it so desires, inspect or audit the accounts of the Council at any time. Chapter - 7 Miscellaneous Added by the First Amendment. 29A.

Code of Professional Conduct to be Compiled: Engineering practitioners shall comply with the following code of professional conduct:- (a) shall not do or cause to be done any act with mala fide intention, (b) shall not be negligent or careless in doing or causing to be done any act, (c) shall not prepare or recommend false or incorrect reports or reports that differ from facts while conducting any test, or cause the same to be done, (d) other matters as prescribed. 30. Offenses and Penalties: (1) If any person practices the engineering profession without registering his/her name with the Council pursuant to Section 11, he/she shall be deemed to have committed an offense under this Act. Amended by the First Amendment. (2) A person committing an offense pursuant to sub-section (1) shall be liable to a fine of up to ten thousand rupees or imprisonment for up to three months or both. Added by the First Amendment. (2A) If an educational institution is operated without obtaining recognition from the Council pursuant to Section 21A, the Council may take action as prescribed. Amended by the First Amendment. (3) Except as mentioned in sub-sections (2) and (2A), if any person does any act contrary to this Act or the rules made under this Act, such person shall be liable to a fine of up to twenty-five thousand rupees. Added by the First Amendment. (4) The Council may impose the following penalties on a registered engineer who violates or fails to comply with the code of professional conduct:- (a) warning, (b) suspension of the name registration certificate for a specific period, prohibiting the practice of the engineering profession, (c) striking off the name from the Register Book. Provided that, before imposing such penalty, he/she shall be given an opportunity to submit a defense. (5) If an engineer whose name has been struck off from the Register Book pursuant to clause (c) of sub-section (4) has done any act that is subject to action under prevailing law, action may be taken against such engineer under prevailing law. Added by the First Amendment. 30A. Appeal: A party dissatisfied with a decision made by the Council under this Act may file an appeal in the relevant High Court within thirty-five days from the date of knowledge of the decision. 31.

Dissolution of the Council: (1) If it appears to the Government of Nepal that the Council has been unable to exercise the powers conferred upon it, or has misused its powers, or has exercised powers beyond those conferred, or has been unable to perform the duties it is required to perform under this Act or the rules made under this Act, the Government of Nepal may dissolve the Council. (2) After the dissolution of the Council pursuant to sub-section (1), the Government of Nepal may keep the fund and property of the Council in its custody and may itself perform or cause to be performed, by forming a committee, all the business that the

Council was required to perform under this Act and the rules made under this Act until another Council is formed. (3) The Government of Nepal shall form another Council pursuant to Section 5 ordinarily within three months of the dissolution of the Council pursuant to sub-section (1). (4) After another Council is formed pursuant to sub-section (3), the fund and property kept in the custody of the Government of Nepal pursuant to sub-section (2) shall be transferred to the said Council. 32. Power to Form Subject Committees and Other Committees: (1) The Council may form subject committees and other committees as required. (2) The functions, duties and powers of the subject committees and other committees formed pursuant to sub-section (1) shall be as specified by the Council. 33. Meeting Allowance and Other Facilities of Members: The meeting allowance and other facilities of members and members of subject committees and other committees formed pursuant to Section 32 shall be as prescribed. 34. Employees of the Council: (1) The Council may appoint employees as required. (2) The service, terms and facilities of employees appointed pursuant to sub-section (1) shall be as prescribed in the regulations. 35. Authority for Investigation and Prosecution: The authority or body for investigating and prosecuting offenses under Section 30 and the procedure relating thereto shall be as specified by the Government of Nepal by notification published in the Nepal Gazette. The authority or body and procedure have been specified by notification in the Nepal Gazette dated 2065.11.26. 36. Liaison with Government of Nepal: While liaising with the Government of Nepal, the Council shall do so through Amended by the First Amendment. the ministry of the Government of Nepal dealing with physical infrastructure matters. Amended by the First Amendment. 37.

Power to Make Rules, Regulations, Directives, Procedures and Standards: (1) The Council may make necessary rules for the implementation of this Act. (2) Rules made pursuant to sub-section (1) shall come into effect after approval by the Government of Nepal. (3) The Council may make necessary regulations, directives, procedures and standards that are not inconsistent with this Act and the rules made pursuant to sub-section (1). (4) The rules, regulations, directives, procedures and standards made by the Council under this Act shall be made public for the information of the general public. Added by the First Amendment. 37A. Annual Report to be Submitted: (1) The Council shall submit a report to the Government of Nepal within the month of Ashwin each year, including a summary of the work performed by it during the year, administrative expenses, details of income and expenditure, and programs to be conducted in the future. (2) The report pursuant to sub-section (1) shall also be made public by the Council. Added by the First Amendment. 37B. Government of Nepal may Give Necessary Directions: (1) The Government of Nepal may give necessary directions to make the business of the Council effective. (2) It shall be the duty of the Council to comply with the directions given by the Government of Nepal pursuant to sub-section (1). 38. Power to Add to Schedule: The Government of Nepal may add engineering subjects to the Schedule as required by notification published in the Nepal Gazette. Schedule (Relating to clause (e) of Section 2) Engineering Profession 1. Civil Engineering (a) General (b) Highway (c) Sanitary (d) Building and Architecture (e) Irrigation (f) Hydrology (g) Hydropower (h) Airport 2. Electrical (a) General Electrical (b) Aviation Electrical Added by notification published in the Nepal Gazette dated 2073.11.23.(c) Electrical and Computer Engineering 3. Electronic and Communication 4. Mechanical (a) General Mechanical (b) Aviation Mechanical (c) Construction Equipment Maintenance Added by notification published in the Nepal Gazette dated 2063.9.3.(d) Production Engineering 5. Aeronautical 6. Mining 7. Chemical Added by notification published in the Nepal Gazette dated 2073.11.23.(a) Chemical Engineering Added by notification published in the Nepal Gazette dated 2073.11.23.(b) Chemical Engineering and Polymer Science 8. Metallurgical 9. Metrology 10. Meteorology 11. Geology (a) General (b) Hydrogeology (c) Engineering Geology 12. Civil Aviation Operation and Engineering (a) Civil Aviation Operation (b) Flight Operation (c) Aviation Fire Services 13. Survey 14. Chemistry 15. Agri Irrigation Engineering Rearranged by notification published in the Nepal Gazette dated 2063.9.3.16.

Textile Engineering - Electronics and Computer Science Rearranged by notification published in the Nepal Gazette dated 2073.11.23.17. Computer Engineering (a) Computer Engineering (b) Electronics and Computer Science (c) Computer and Communication Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.18. Environmental Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.19. Automobiles Engineering Rearranged by notification published in the Nepal Gazette dated 2063.9.3.20. Industrial Engineering - Industrial and Production Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.21. Radio Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.22. System Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.23. Automation Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.24. Bachelor of Urban and Physical Planning Added by notification published in the Nepal Gazette dated 2058.5.11.25. Geotechnical Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.26. Forestry Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.27. Agriculture Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.28. Energy Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.29. Information Technology and Telecommunication Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.30. Earthquake Engineering Added by notification published in the Nepal Gazette dated 2058.5.11.31. Architect Engineering Rearranged by notification published in the Nepal Gazette dated 2063.9.3.32. Electrical and Electronics Engineering - Electronics and Power Rearranged by notification published in the Nepal Gazette dated 2073.11.23.33. Electronics (a) Electronics Engineering (b) Electronics and Instrumentation Added by notification published in the Nepal Gazette dated 2058.5.11.34. Avionics Engineering Added by notification published in the Nepal Gazette dated 2063.9.3.35. Manufacturing Science and Engineering Added by notification published in the Nepal Gazette dated 2063.9.3.36. Electronics and Telecommunication Engineering Added by notification published in the Nepal Gazette dated 2063.9.3.37. Sound and Video Engineering - Sound Engineering Added by notification published in the Nepal Gazette dated 2063.9.3.38. Industrial Electronics Engineering Added by notification published in the Nepal Gazette dated 2063.9.3.39. Software Engineering Added by notification published in the Nepal Gazette dated 2063.9.3.40. Instrumentation Engineering Added by notification published in the Nepal Gazette dated 2063.9.3.41. Information Technology - Information Science and Engineering 42. Biomedical (a) Biomedical Engineering (b) Medical Electronics Rearranged by notification published in the Nepal Gazette dated 2073.11.23.43. Geomatics Engineering Added by notification published in the Nepal Gazette dated 2073.11.23.44. Food Engineering Added by notification published in the Nepal Gazette dated 2073.11.23.45.

Civil and Rural Engineering Added by notification published in the Nepal Gazette dated 2073.11.23.46. Biotechnology Added by notification published in the Nepal Gazette dated 2073.11.23.47. Electromechanical Added by notification published in the Nepal Gazette dated 2073.11.23.48. Petroleum Engineering Added by notification published in the Nepal Gazette dated 2073.11.23.49. Mechatronics Engineering Added by notification published in the Nepal Gazette dated 2073.11.23.50. Hitechplasma and Plants Engineering Added by notification published in the Nepal Gazette dated 2073.11.23.51. B.Tech in Naval Architecture and Ship Building Added by notification published in the Nepal Gazette dated 2073.11.23.52. Bachelor of Engineering Science and Technology of Winery Added by notification published in the Nepal Gazette dated 2076.4.6.53. Genetic Engineering Added by notification published in the Nepal Gazette dated 2077.4.26.54. Logistic Engineering Added by notification published in the Nepal Gazette dated 2077.12.26.55. Bachelor of Hydropower Engineering Added by notification published in the Nepal Gazette dated 2077.12.26.56. Material Science and Engineering Added by notification published in the Nepal Gazette dated 2077.12.26.57. Aerospace Engineering Added by notification published in the Nepal Gazette dated 2080.09.23.58.

Electronics, Communication and Information Engineering Added by notification published in the Nepal Gazette dated 2080.09.23.59. Electronics, Communication and Automation Engineering
