Registrar and Employees: (1) The Government of Nepal may appoint or nominate a person to carry out the functions of the Registrar as prescribed under this Act and the rules made thereunder, and may depute any other person to carry out all the functions required to be performed by him in his absence. (2) The Registrar appointed pursuant to sub-section (1), or the person deputed in his absence, shall act as the secretary to the Council and any committee formed pursuant to Section 11 as well, and such

person shall have the right to participate in the discussions of the committee or Council meeting but shall have no right to vote. (3) If the Registrar appointed under sub-section (1) is to be dismissed, suspended or otherwise punished, it shall be done in accordance with the rules made under this Act. (4) The Council may, with the approval of the Government of Nepal, appoint as many officers and employees as necessary. (5) All officers and employees appointed under sub-section (4) shall be under the control and supervision of the Registrar. 13.

Functions and Duties of Registrar: (1) It shall be the duty of the Registrar to maintain the Register Book correctly according to this Act, the rules and the general and special orders of the Council; to register the name, address and qualification of medical practitioners whose names are to be registered from time to time; to remove the names of medical practitioners who have died or whose names are to be removed from membership; and to carry out all other acts required to be performed by him under this Act and the rules. (2) If any Amended by the First Amendment. registered medical practitioner abandons his profession or changes his address, he shall give notice to the Registrar within one month. If the Registrar suspects that a medical practitioner has changed his address or abandoned his profession, the Registrar shall send a letter to the address registered in the Register Book Omitted by the Third Amendment. If such letter is returned, or if no reply is received within 3 months after the letter reaches, the Registrar shall give notice of the name of such medical practitioner through a major newspaper, and if no information is received within another 3 months, the Registrar may remove his name from Amended by the Third Amendment. the Register Book. Provided, however, that if any person whose name has been removed under this sub-section applies to the Registrar requesting to regain registration of the name removed from the Register Book by showing that he could not reply in time due to not receiving the letter sent by the Registrar in time, or due to circumstances beyond his control, or any other reasonable cause, or that he is about to resume that profession, the Registrar may re-register the name of such medical practitioner in the Register Book; and upon such re-registration, the fee prescribed in the rules shall be charged. (3) The Register Book maintained under this Act shall be deemed to be a government document Added by the First Amendment. Amended by the Third Amendment.14.

Registration of Name in Register Book: (1) Subject to this Act and the rules made thereunder, a person who has obtained qualifications as mentioned in the Schedule shall submit an application to the Council in the prescribed format, paying the prescribed fee, for the registration of his name in the Register Book. (2) Upon inquiry into the application made pursuant to sub-section (1), if found in order, the Council shall register the name of such person temporarily in the Register Book for a period of two years and issue a certificate thereof. (3) Among persons whose names are registered temporarily in the Register Book pursuant to sub-section (2), those in the service of the Government of Nepal and those who have gone to study on scholarships received from the Government of Nepal shall be required to practice the medical profession for the period specified by the Ministry of Health. (4) After a person other than those mentioned in sub-section (3) has practiced the medical profession for two years, the Council shall register his name permanently in the Register Book and issue a certificate thereof. (5) Upon the recommendation of the Ministry of Health, the Council shall permanently register the name of a person who has completed the period specified under sub-section (3) in the Register Book and issue a certificate thereof. (6) If the Ministry of Health, upon the recommendation of the Council determining that a person other than those qualified as mentioned in the Schedule has also obtained minimum qualification in the modern medical system, directs the Council to register the name of such person in the Register Book under this Section, the Council shall register the name of such person in the Register Book and issue a certificate thereof. (7) The provisions relating to the registration of the name of a foreign national in the Council shall be as prescribed. 15.

Action on Application: (1) All applications received for the registration of name in the Register Book under sub-section (1) of Section 14 shall be sent directly to the Registrar, and the Registrar shall submit all applications to the committee Amended by the Third Amendment. designated for this purpose by the Council. (2) The committee shall, after proper inquiry into whether the applicant is a person qualified as mentioned in the Schedule and whether his application is in order, submit a report to the Council detailing all matters. (3) Upon consideration of the report submitted by the committee under sub-section (2), the Council shall do as follows:- (a) If the applicant is a person qualified as mentioned in the Schedule, his application is in order according to the rules, and he has paid the fee prescribed in the rules in this regard, direct the Registrar to register his name in the Register Book, (b) If the application is not in order according to the rules, or the applicant has not deposited the fee, or the applicant does not possess the qualifications as mentioned in the Schedule, refuse to register his name in the Register Book and notify the applicant stating the reasons thereof. (4) If the name of any applicant could not be registered in the Register Book under clause (b) of sub-section (3) due to his application not being in order or the applicant not paying the fee, and if such applicant submits another application after fulfilling the requirements and deposits the fee, his name shall not be refused for registration in the Register Book solely on the ground that it could not be registered earlier. (5) If the Council directs the registration of any applicant's name pursuant to clause (a) of sub-section (3), the Registrar shall register the name of such person in the Register Book and issue a certificate thereof to him.

16. Furnishing of Evidence, Notice and Particulars upon Registration: Persons whose names are to be registered in the Register Book pursuant to sub-section (2) of Section 14, or persons applying under sub-section (1) of the same Section for registration of name in the Register Book, shall furnish to the Registrar the following evidence, particulars and notice:- (a) Certificates of degrees, academic qualifications, and other evidence and documents as prescribed by the Council as necessary, (b) If his name is registered in the register book of any medical council, board or similar institution of a foreign country, details thereof stating his qualification or degree, registration number and date as registered in that register book, (c) An affidavit stating that he will perform his duties according to this Act and the rules. 17.

Power of Council to Order Removal from and Re-registration in Register Book: (1) The Council may order the removal of the name of any registered medical practitioner from the Register Book in the following circumstances:- (a) If he has been punished by a court for a criminal offense involving moral turpitude, or (b) If he is found guilty of any unprofessional conduct by a two-thirds majority of the total number of members of the Council. (2) If a person whose name has been removed from the Register Book pursuant to sub-section (1) applies to the Council for re-registration of his name in the Register Book stating a reasonable cause, and if it seems reasonable to register his name, the Council may direct the Registrar to register his name upon payment of the fee prescribed in this regard in the rules of the Council; and upon such direction, the Registrar shall register the name accordingly and issue a certificate thereof. Amended by the Third Amendment. Provided, however, that in case of removal of name from the Register Book under this Act, his name shall not be re-registered pursuant to this sub-section without at least a period of two years having elapsed from the date of such removal. 18. Dissolution of Council: (1) If the Government of Nepal considers that the Council has been unable to exercise the powers vested in it under this Act and the rules, or has been constantly abusing its powers, or has been exercising powers beyond those vested, or has been unable to perform its duties under the Act or rules, the Government of Nepal shall notify the Council to remedy or correct such matter. (2) If the Council fails to remedy or correct its acts or proceedings pursuant to the notice given under sub-section (1), the Government of Nepal may dissolve the Council and, until another Council is formed, Amended by the Third Amendment. may form an Interim Executive Board to carry out the functions usually performed by the Council under this Act and the rules and regulations made thereunder. (3) After the Council

is dissolved under sub-section (2), the fund and other property of the former Council shall be kept under the custody of the Amended by the Third Amendment. Interim Executive Board formed pursuant to sub-section (2), and after the formation of a new Council, such fund and property shall be handed over to the newly formed Council. (4) After the dissolution of the Council under sub-section (2), the Government of Nepal shall, generally within three months of such dissolution, cause a new Council to be formed pursuant to Section 4. 19.

Appeal: (1) A person aggrieved by any decision or act of the Registrar under this Act may appeal to the Council within 35 days from the date of such decision or act. Added by the First Amendment. (2) A person aggrieved by a decision of the Council under this Act may appeal to the High Court within thirty-five days from the date of the decision. Amended by the First Amendment. 20. Removal of Name from Register Book: The Council shall form an Inquiry Committee consisting of five registered medical practitioners to inquire and submit a report in the following circumstances; and based on the report submitted by such committee, the Council may remove the name of such person from the Register Book:- (a) If the name of any person has been registered in the Register Book by fraud or mistake, (b) If any registered medical practitioner has become incapable of carrying on the medical profession due to mental illness. Amended by the First Amendment. 21. Recognition by the Government of Nepal: Amended by the Third Amendment. (1) The Council may grant recognition to degrees, diplomas, certificates or other qualifications related to medical science. Added by the Second Amendment. (1A) Degrees, diplomas, certificates or other qualifications granted recognition Amended by the Third Amendment. by the Council pursuant to sub-section (1) shall be included in the Schedule. (2) A person obtaining a degree, diploma, certificate or other qualification from a foreign institution related to medical science shall submit an application to Amended by the Third Amendment. the Council for recognition of such qualification. (3) Upon receipt of an application under sub-section (2), Amended by the Third Amendment. the Council may grant recognition to such degree, diploma, certificate or qualification. The degree, diploma, certificate or qualification recognized thus shall be included in the Schedule. Added by the Second Amendment. 21A. Power to Demand Details: The Council may, from time to time, demand details from medical institutions granting degrees, diplomas, certificates or other qualifications recognized under sub-section (1) of Section 21 regarding the curriculum prescribed for such degrees, diplomas, certificates or other qualifications and the conditions prescribed for admission; and it shall be the duty of such institution to provide such details. 21B. Inspection of Examinations: (1) The Council may appoint and send inspectors to inspect examinations for degrees, diplomas, certificates or other qualifications recognized under sub-section (1) of Section 21. The inspector appointed thus shall submit a report to the Council stating the details prescribed by the Council regarding the examination inspected by him.

Provided, however, that the inspector shall not be allowed to make any kind of interference in such examination. (2) If, upon consideration of the details received under Section 21A and the report submitted by the inspector under sub-section (1), the Council considers that the curriculum, admission conditions and examination procedure determined by the relevant medical institution for any degree, diploma, certificate or other qualification recognized under sub-section (1) of Section 21 are not appropriate and sufficient, the Council shall submit its report in this regard Amended by the Third Amendment. to the University or teaching institution with which such medical institution is affiliated.
